

QUICK IMMUNIZATION REFERENCE GUIDE 2014/2015 SCHOOL YEAR

Clark County School District- Health Services Department

NRS 392.435 Immunization of pupils: Certificate prerequisite to enrollment; conditional enrollment; effect of failure to immunize; report to Health Division; inclusion of certificate in pupil's record.

1. Unless excused because of religious belief or medical condition, a child may not be enrolled in a public school within this State unless his parents or guardian submit to the board of trustees of the school district in which the child resides a certificate stating that the child has been immunized and has received proper boosters for that immunization or is complying with the schedules established pursuant to NRS 439.550 for the following diseases:

DPT – Four doses: 4th dose must be on or after the 4th birthday

Polio – Three doses: 3rd dose must be on or after the 4th birthday

MMR – Two doses: 1st dose must be after the 1st birthday. 1st and 2nd dose must be separated by at least 28 days. *A child <4 years of age who has 2 doses of MMR at the correct intervals does not require a 3rd dose. *

Tdap – One dose: A child enrolling in 7th grade is required to have 1 Tdap (Bordetella Pertussis). The >5 yr rule since the last Tetanus no longer applies.

Hepatitis A – Two doses: 2nd dose must be given at least 6 months after the 1st dose. (Required for students new to Nevada or District after July 1, 2002.)

Hepatitis B - Three doses: Intervals: 4 weeks between 1st and 2nd dose, at least 8 weeks between 2nd and 3rd dose. Must have a minimum of 16 weeks between 1st and 3rd dose and 24 WEEKS OF AGE or older when 3rd dose was given. (Required for students new to Nevada or District after July 1, 2002.)

Chicken Pox (Varicella) - Two doses: 1st dose on or after 1st birthday. 1st and 2nd dose must be separated by at least 28 days. (Required for students new to Nevada or District after July 1, 2011). Physician verification of past disease required. *A child <4 years of age who has 2 doses of Varicella at the correct intervals does not require a 3rd dose. *

*****Students who are entering into a Prek program or early childhood program and are less than 4 years of age are allowed to enter but will require their final DPT and Polio dose, second MMR and second Varicella when they turn 4. *****
